SOCIAL MEDIA

We are promoting your artistic profile on our social media platforms in collaboration with you! You send us your profile presentation as a text document or lookbook with as many detailed descriptions as possible, of how you wish to present your artistic profile, and official profile.

Remember to add your SoMe @ !

PROMO VIDEO

All packages include a professional production of your own individual promotion video.

In collaboration with you (online), we arrange the full production. You send us your creative ideas either as a text document or a lookbook, including pictures, and as detailed descriptions as possible in terms of style, look, personal expression etc.

Then we are ready start your production:

1. We shoot the video in a studio and look through the footage.
2. We begin editing the video and send you a version.
3. The final cut is available for you on a digital transfer, as soon as you have approved the final version of your promo video.
4. Remember, you only have 1 re-edit session included in your package. Demanded extra edit-corrections will be charged with a fee.
